

STRATA TITLE BODY CORPORATE

INSTRUCTIONS AND TAX RETURN 2009

Strata title bodies corporate are treated as public companies under the tax law and must lodge a tax return for any year in which they derive assessable income. If your body corporate only derives amounts that are subject to the principle of mutuality (see below under **MORE INFORMATION**), then you do not need to lodge a tax return. (These amounts are not assessable income.)

You cannot use the *Strata title body corporate tax return 2009* if your body corporate:

- has net capital gains
- has received franked dividends
- has losses brought forward from earlier income years claimed as a deduction
- has overseas transactions or interests, or
- needs to make an interposed entity election.

In the above situations you must use the *Company tax return 2009*.

! NOTE

If your strata title body corporate has made a capital gain or a capital loss from a transaction in respect of all or part of the common property, the gain or loss is not included in the tax return for the body corporate. Each proprietor or unit owner must include their share of the capital gain or loss in their own tax return based on their proportion of the lot entitlements.

➤ MORE INFORMATION

Taxation Ruling IT 2505 – Income tax: bodies corporate constituted under strata title legislation discusses the principle of mutuality.

For a full explanation of the tax treatment of strata title bodies corporate, see the list of Taxation Rulings at **Publications** on page 4.

COMPLETING THE TAX RETURN

If a payment is due (now or later) or a refund is due, print **Y** for yes or **N** for no in the respective payment and refund boxes.

Print the entity's name, tax file number (TFN) and Australian business number (ABN) in the boxes provided.

If the postal address of the body corporate has not changed from that used to complete its income tax return for the last tax return lodged, print the address exactly as shown in that tax return under 'Current postal address'.

If the postal address of the body corporate has changed from that used for the last tax return lodged, print the previous postal address exactly as shown in that tax return under 'Postal address on previous tax return'.

Location of strata title body corporate

Print the street address of the body corporate. This may not necessarily be the same as the postal address of the body corporate.

Final tax return

If you consider that the strata title body corporate will not be required to lodge a tax return in future years, print FINAL in the block provided.

6 CALCULATION OF TOTAL PROFIT OR LOSS

Income

Complete the following items where applicable:

Gross interest

At **F** write the amount of interest received or credited during the income year.

Exclude interest from proprietors for late payment of levies.

Gross rent and other leasing and hiring income

At **G** write the total of these types of income received.

Individual proprietors may be taxed on this type of income, rather than the body corporate, where it is income from common property – see Taxation Ruling IT 2505.

Other gross income

At **R** write the total of other gross income – for example, inspection fees or access fees, except where received from a proprietor. Do not include receipts that are subject to the principle of mutuality – see Taxation Ruling IT 2505.

Total income

At **S** **Total income** write the total of amounts shown at **F**, **G** and **R**.

Expenses

Expenses in earning income

At **S** **Expenses in earning income** write the total of all expenses incurred by the strata title body corporate in deriving its assessable income. You may need to apportion some expenses – for example, if an expense relates to both assessable income and receipts that are subject to the principle of mutuality (which are not assessable). See Taxation Ruling IT 2505.

Total expenses

At **Q** write the amount shown at **S** **Expenses in earning income**.

Total profit or loss

At **T** item 6 **Total profit or loss** write the amount at **S** **Total income** minus the amount at **Q** **Total expenses**. This is the net amount of income received by the strata title body corporate during the income year, and does not include receipts subject to the principle of mutuality. If this amount is a loss, print **L** in the box at the right of the amount.

7 RECONCILIATION TO TAXABLE INCOME OR LOSS

Taxable income or loss

At **T** item 7 **Taxable income or loss** write the amount shown at **T** item 6. If this amount is a loss, print **L** in the box at the right of the amount.

CALCULATION STATEMENT

Taxable income

At **A** write the amount shown at **T** item 7 **Taxable income or loss**. If the amount at **T** item 7 was a loss, write '0' at **A**.

Gross tax

At **B** **Gross tax** write the amount of tax payable before the allowance of any credits. The company tax rate is 30%, therefore multiply the amount at **T** item 7 by 30% and write this answer at **B**. If **A** **Taxable income** was '0', write '0' at **B** as well.

Tax payable

Write the amount shown at **B** **Gross tax**.

Pay as you go (PAYG) instalments raised

At **T** write any PAYG instalments that have been raised for the current year tax liability.

Tax withheld from interest/investments

At **Y** write any amounts deducted from investment income because a TFN was not provided to the investment body.

Total of T and Y

At **R** write the total of amounts shown at **T** and **Y** on this calculation statement.

Total amount of tax payable or refundable

Subtract the amount shown at **R** from the amount shown at **B** and write this amount at **S**. If the amount is positive, this is the amount payable. A negative amount is the amount refundable.

Hours taken to prepare and complete this tax return

We are committed to reducing the costs involved in complying with your tax obligations. By completing **J** you will help us to monitor these costs as closely as possible. Your response is voluntary.

When completing this item consider the time, rounded to the nearest hour, that was spent:

- reading the instructions
- collecting the necessary information to complete this tax return
- making any necessary calculations, and
- completing this tax return or putting the tax affairs of the strata title body corporate in order, so that the information could be handed to a tax agent.

Your answer should relate only to the time the strata title body corporate and tax agent (if you have one) spent preparing and completing the tax return, including the time of any unpaid helpers. Tax agents preparing this tax return on behalf of their client should consult with them to obtain a reliable estimate.

Your EFT code is also provided on the 'Payment options – details' screen (for business and tax agent portal users) or immediately below the biller code and titled EFT code, on the details screen of your electronic commerce interface e-business activity statement (ECI e-BAS) where access is available.

A receipt number is issued at the time the payment is made. Record this receipt number for future reference.

You should check with your financial institution for processing deadlines, to ensure your payments reach us on or before the due date. BPAY payments made outside of business hours, including on a weekend or public holiday, **will not reach us** until the next working day.
