2016

Election form and explanatory notes for 1 July 2015 – 30 June 2016

WHEN TO USE THE FAMILY TRUST ELECTION. **REVOCATION OR VARIATION 2016**

Trustees must use the Family trust election, revocation or variation 2016 for:

- making a family trust election in accordance with section 272-80 of Schedule 2F to the Income Tax Assessment Act 1936 (ITAA 1936) specifying the 2004–05 or later income year
- revoking a family trust election in the 2015–16 income year in accordance with subsections 272-80(6) to (8) of Schedule 2F to the ITAA 1936, or
- varying the specified individual under subsections 272-80(5) to (5D) and (8) of Schedule 2F to the ITAA 1936.

CONDITIONS FOR MAKING A FAMILY TRUST ELECTION

Where specifying the 2015–16 income year

To make a family trust election specifying the 2015–16 income year, the trust must pass the family control test in section 272-87 of Schedule 2F to the ITAA 1936, at the end of that income year; see subsection 272-80(4) of Schedule 2F to the ITAA 1936. However, the election will only be in force from the earliest time (the election commencement time) in the 2015–16 income year from which the trust passes the family control test, continuously until the end of that income year; see subsection 272-80(10) of Schedule 2F to the ITAA 1936.

A trust can only have one family trust election in force; see subsection 272-80(11) of Schedule 2F to the ITAA 1936. However, trustees can make a family trust election and one or more interposed entity elections in accordance with section 272-85 of Schedule 2F to the ITAA 1936.

trust election, use the Family trust election, revocation or variation 2016 only for the 2015-16 income year.

For more information go to ato.gov.au

Where specifying the 2004-05 or later income year

For the 2005–06 and later income years trustees can make family trust elections specifying an earlier income year provided certain conditions are met. Generally these conditions require that from the beginning of the specified income year until 30 June of the income year immediately preceding the one in which the election is made:

- the trust passes the family control test in section 272-87 of Schedule 2F to the ITAA 1936, and
- any conferrals of present entitlement to, or any actual distributions of, income or capital of the trust during that period have been made on or to the individual specified in the election or members of that individual's family group; see subsection 272-80(4A) of Schedule 2F to the ITAA 1936.

As subsection 272-80(4A) of Schedule 2F to the ITAA 1936 applies to elections specifying an income year before the income year in which the election is made, trustees using the *Family trust election, revocation or variation 2016* to make a family trust election can specify the 2004–05 or later income year provided the above conditions are met.

CONDITIONS FOR VARYING A FAMILY TRUST ELECTION

The specified individual in a family trust election can be varied where:

- the new individual was a member of the family of the original specified individual at the election commencement time
- no conferrals of present entitlement to, and distributions of, income or capital have been made (by the trust or an interposed entity) outside the new specified individual's family group during the period in which the family trust election has been in force, and
- the trust meets the related conditions in subsections 272-80(5A), (5B), (6B) and (8) of Schedule 2F to the ITAA 1936 which includes specific time periods during which the specified individual in a family trust election can be varied.

In addition to this, subsections 272-80(5C) and (5D) of Schedule 2F to the ITAA 1936 contain the conditions under which the specified individual can be varied if, as a result of a family law obligation arising from a marriage breakdown, the control of the trust passes to a new specified individual and/or their family members.

CONDITIONS FOR REVOKING A FAMILY TRUST ELECTION

The trustees of a trust may revoke a family trust election where:

- the family trust is a fixed trust at the beginning of the specified income year and the trust satisfies all the other conditions set out in subsections 272-80(6) and (7) of Schedule 2F to the ITAA 1936, or
- under legislative changes that took effect on 1 July 2007
 - at any time while the election was in force, the trust, or another entity, has not recouped a tax loss or claimed a deduction for bad debts, or a beneficiary of the trust has not received a franked distribution indirectly through the trust in relation to which the beneficiary was entitled to franking credits, only as a result of the election being in force, and
 - the trust must also satisfy the related conditions in subsections 272-80(6A), (6B) and (8) of Schedule 2F to the ITAA 1936 which includes specific time periods during which a family trust election can be revoked in this situation.
