Election form and explanatory notes for 1 July 2011 – 30 June 2012

## WHEN TO USE THE INTERPOSED ENTITY **ELECTION OR REVOCATION 2012**

The trustees, company or partners must use the Interposed entity election or revocation 2012 for:

- making an interposed entity election in accordance with section 272-85 of Schedule 2F to the *Income Tax* Assessment Act 1936 (ITAA 1936) specifying a day in the 2004-05 or later income year, or
- revoking an interposed entity election effective from the 2011-12 income year in accordance with subsections 272-85(5A), (5C) and (6) of Schedule 2F to the ITAA 1936.

### **CONDITIONS FOR MAKING AN** INTERPOSED ENTITY ELECTION

## Where specifying the 2011–12 income year

To make an interposed entity election specifying a day in the 2011-12 income year, the trust (including fund), company or partnership must pass the family control test in section 272-87 of Schedule 2F to the ITAA 1936 at the end of that income year - see subsection 272-85(4) of Schedule 2F to the ITAA 1936. However, the interposed entity election will only be in force from the election commencement time, being the later of the specified day and the earliest time in the 2011-12 income year from which the trust (including fund), company or partnership passes the family control test continuously until the end of that income year - see subsection 272-85(6B) of Schedule 2F to the ITAA 1936.

The trustees, company or partners can make an interposed entity election in accordance with section 272-85 of Schedule 2F to the ITAA 1936 that the trust (including fund), company or partnership be included in the family group of the individual specified in a family trust election in respect of more than one trust, provided the individual specified in each family trust

If you wish to revoke an interposed entity election, use the Interposed entity election or revocation 2012 only for the 2011-12 income year.

election is the same. See subsection 272-85(7) of Schedule 2F to the ITAA 1936. They must complete a separate *Interposed* entity election or revocation 2012 for each interposed entity election specifying a day in the 2011–12 income year.

### Where specifying the 2004-05 or later income year

For the 2005–06 and later income years, the trustees, a company or partners can make interposed entity elections specifying an earlier income year provided certain conditions are met. Generally, these conditions require that from the beginning of the specified income year until 30 June of the income year immediately preceding the one in which the election is made:

- the company, partnership or trust (including fund) passes the family control test in section 272-87 of Schedule 2F to the ITAA 1936, and
- any conferrals of present entitlement to, or any actual distributions of, income or capital of the trust during that period have been made on or to the individual specified in the family trust election by reference to which the interposed entity election is made or members of that individual's family group see subsection 272-85(4A) of Schedule 2F to the ITAA 1936.

As subsection 272-85(4A) of Schedule 2F to the ITAA 1936 applies to elections specifying an income year before the income year in which the election is made, trustees, companies and partners using the *Interposed entity election or revocation 2012* to make an interposed entity election can specify the 2004–05 or later income year, provided the above conditions are met.

## CONDITIONS FOR REVOKING AN INTERPOSED ENTITY ELECTION

Under legislative changes that took effect on 1 July 2007, an interposed entity election can be revoked in certain limited circumstances. See subsection 272-85(5A) of Schedule 2F to the ITAA 1936. Generally, an interposed entity election can be revoked if, at the election commencement time, the interposed entity was, or at a later time it becomes, a member of the family group of the individual specified in the family trust election. This may occur where the interposed entity:

- is a trust and has made a family trust election with the same specified individual as the family trust in respect of which the interposed entity election was made. In accordance with subsection 272-90(3A) of Schedule 2F to the ITAA 1936, family trusts with the same specified individual will be members of each other's family group without having to make interposed entity elections in respect of each other, or
- is, or becomes, wholly owned by members of the family of the individual specified in the family trust election in accordance with subsection 272-90(5) of Schedule 2F to the ITAA 1936, and therefore is a member of the family group without the need for an interposed entity election.
